Köpfe Konzepte Kapital

23.03.2010 presenter

CatCap GmbH:

CatCap supports knowledge-based enterprises and their shareholders in questions concerning the sale of shares and equipment with equity capital, the optimisation of corporate portfolios and other strategic capital transactions at partner and enterprise level.

Through CatCap entrepreneurs obtain efficient access to equity capital, from angel investors, venture capital and private equity funds to strategic investment partners.

In 2008 CatCap successfully advised/completed 14 transactions. CatCap works with over 60 private investors and over 30 VC/Private-Equity-companies and is based in Hamburg.

Neuhaus Partners GmbH:

Neuhaus Partners invests venture capital (VC) in companies from the information technology sector. With venture capital from their funds, they selectively support companies with outstanding managerial and technological advantages - in particular in growth markets. Since its founding, the fund has led portfolio companies to several IPOs and numerous trade sales. Examples of former successful investments include ricardo.de, Nikoma, NxN, handy.de, DocMorris and blau.de.
